GROUP 3: Lisa Bartel, Niels Zimmermann, Wadim, Juan, Maria Trokoz

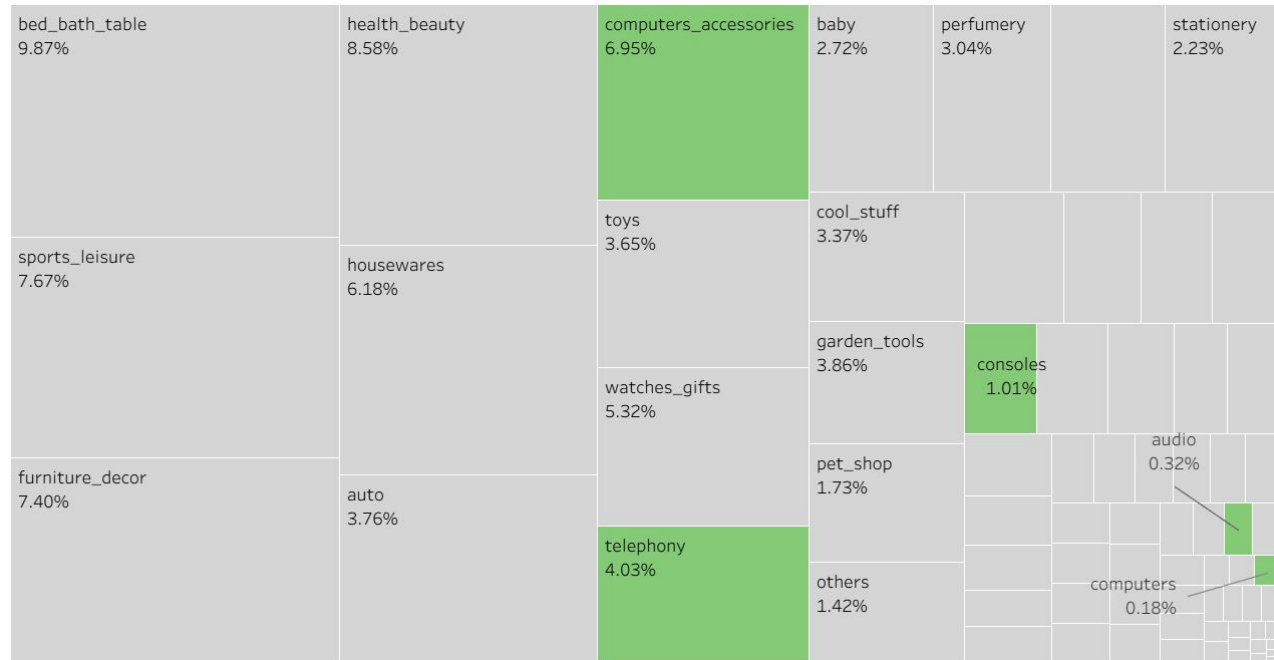

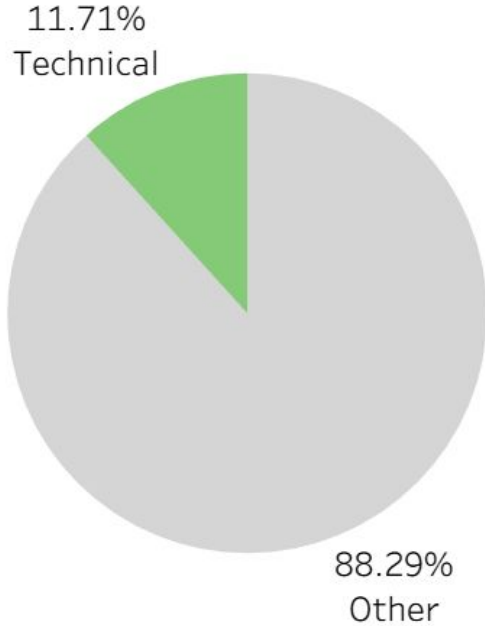

Magist User Growth Through Number of Orders

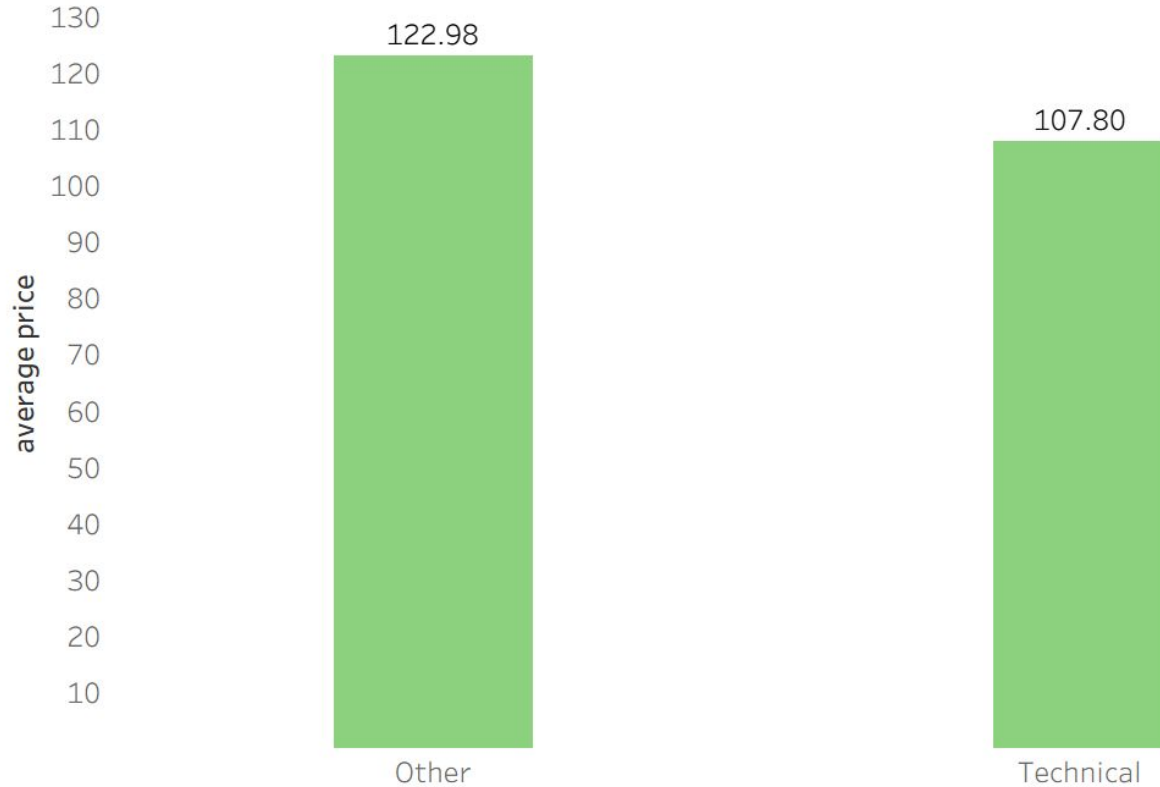

Magist: Sellers Locations

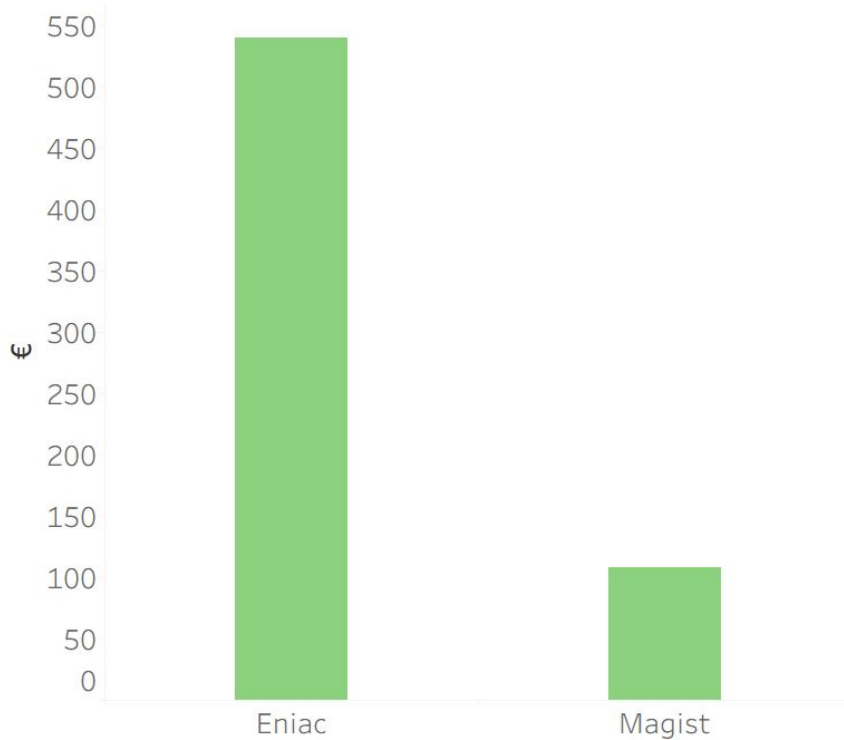

All Available Product Categories

Average Price of Technical vs Non-Technical Items

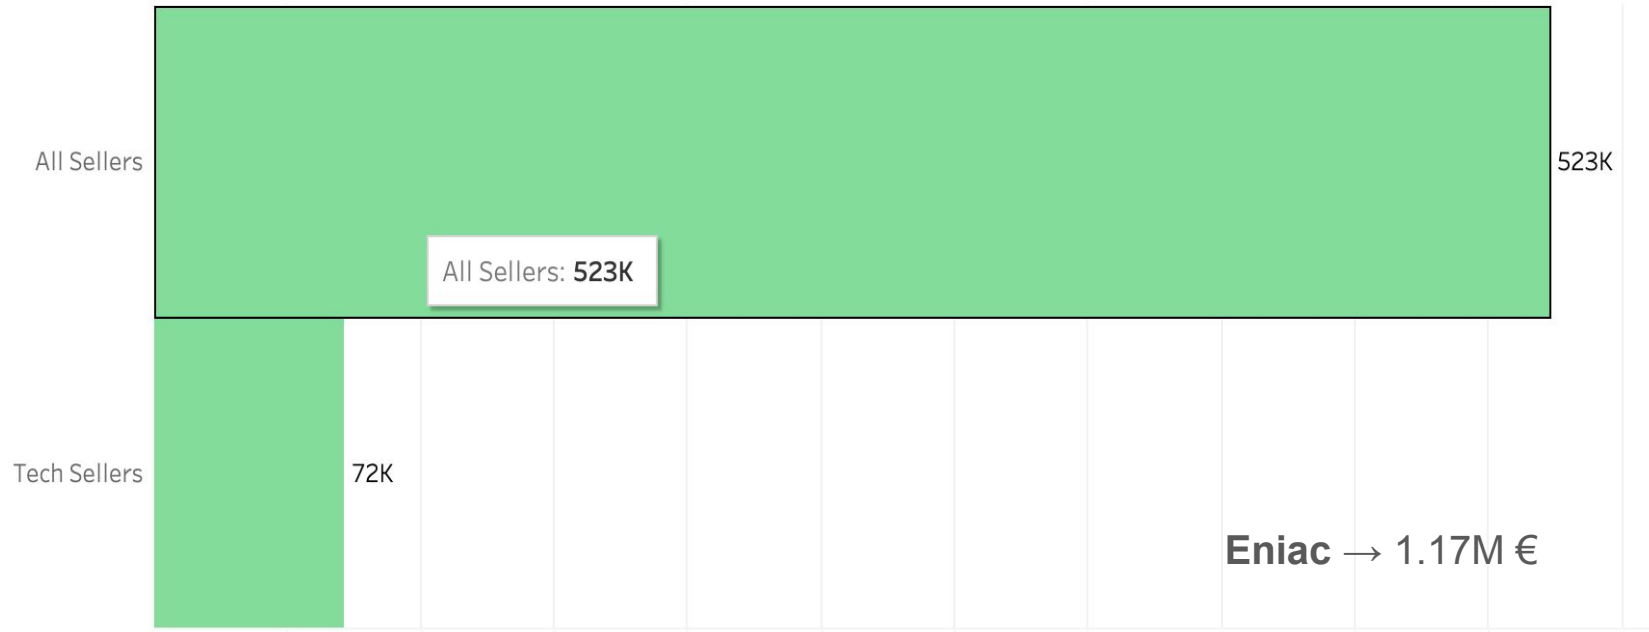

Magist Average Price of Tech Products vs Eniac's

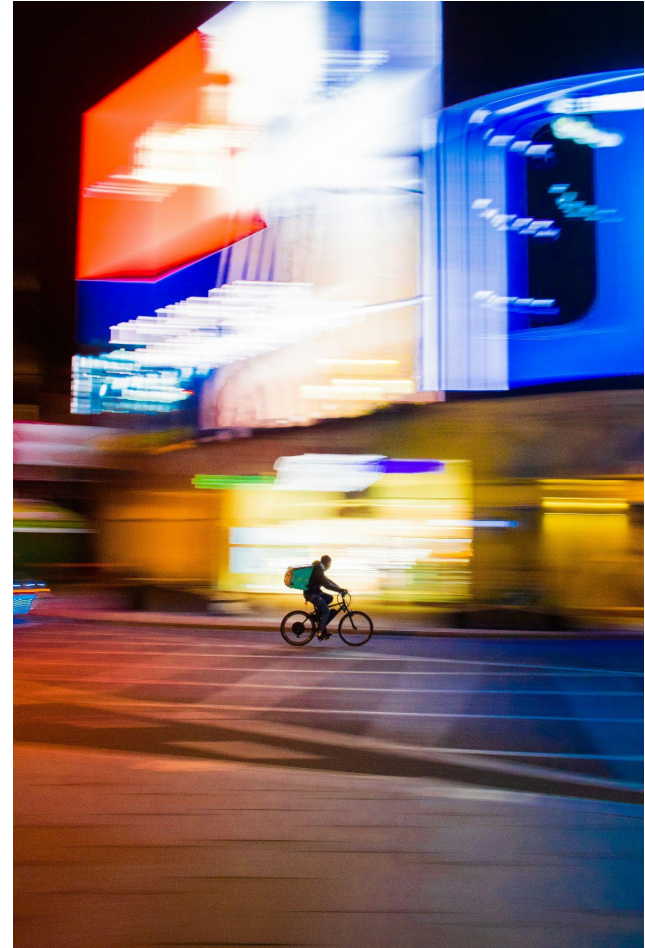

Eniac = 540,00€

Magist = 107,80€

Average Monthly Revenue By Tech Sellers Is Low

average delivery time -
12.5 days

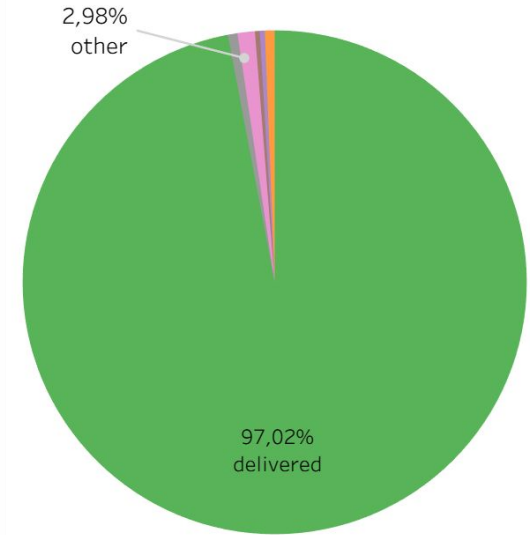

Conclusion

- Magist isn't used to handle high-end products.
- Long delivery times, not representing our standard.
- Still offers smooth expansion into Brazilian market →
 - One year probation contract instead of three years.
 - Shorter duration reduces risk.
